

Wild About Cornish

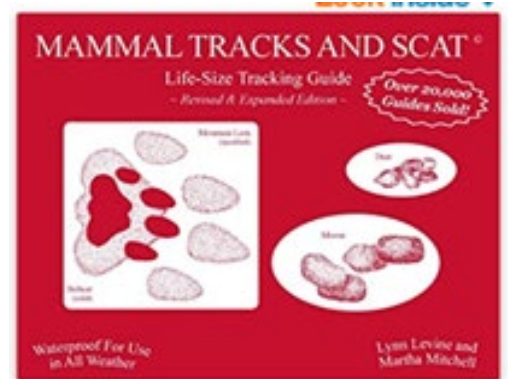

The Cornish Conservation Commission

Wildlife Tracking & Habitat Field Trip

**Saturday February 21, 2026, 10am-12pm at
Langwood Tree Farm on Lang Road
(Backup date Sunday February 22)**

Martha Mitchell, MS, joins us again after her popular 2023 event at Fitch Farm.

A natural resource conservationist, environmental educator and forest soils scientist, Martha co-authored & illustrated the tracking guide *Mammal Tracks and Scat* with Lynn Levine. Martha has mapped soils and vegetation all over America, designed curricula and taught people of all ages from preschoolers to teachers, & college professors.

Registration Required: Attendance is limited.

- Email cornishconservation@cornish.nh.gov or call (201) 787-9789 to register & questions.
- Langwood Tree Farm at 301 Lang Road, Cornish. Park in the field across the street from the barn.
- Check the weather, dress warmly in layers, snow shoes or boots/crampons, bring water.
